

KNOW YOUR RIGHTS! & YOUR POWER

Presented by the **UIC Centers for Cultural Understanding and Social Change**
Know Your Rights Working Group

Taking an intersectional approach, the Centers for Cultural Understanding and Social Change present the third program in this series, to help members of the campus community better understand their civil liberties.

Community partners, **Advancing Justice** and **Invisible to Invincible**, will facilitate discussion around ways to protect and support one another, build safety plans, and role-play interactions with law enforcement.

* Disclaimer: Discussion and roleplay will address possibly triggering situations. Facilitators are committed to creating a mindful space, but are not licensed mental health professionals. They can connect participants to further resources as needed.
